I shame at mine unworthiness

John Dowland
fain would be at one with Thee, fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,

yet fain would be at one with Thee, yet fain would be at one with Thee,
I shame at mine unworthiness
I shame at mine unworthiness
