Translation

Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.
(*Revelation 20*, v.6)

Editorial Conventions

The nomenclature of the voice-parts follows the Tudor convention.

The prefatory staves show the original clef, staff signature, mensuration symbol and first note for each voice.

Editorial accidentals are placed above the notes concerned.

The lost Tenor part has been reconstructed by the editor in small notation.

Notes on the Readings of the Source

Mundy's text differs slightly from the Vulgate, which has '*in his secunda*' for '*in hos enim secunda*' in bars 16–17 and '*illo*' for '*eo*' in bars 29–34.

In bar 14 the natural in the Mean has been retained since it is viable, but the evident incorrectness of the other two B naturals in this part (noted below) casts doubt on its authenticity.
