The lowest trees have tops

Where waters smoothest run,
The lowest trees have tops, the Ant her
gall, The fly her spleen, the little spark his heat,
fords, the dial stirs, yet none perceives it move:
And slender hares cast shadows though but small,
the firmest faith is in the fewest words,

The Turtles cannot sing, and yet they love,
And Bees have stings although they be not great.

Seas have their source, and so have shallow springs,
And love is love in

springs, speak: They hear and see, and
springs, shallow springs, speak: They hear and
springs, shallow springs, speak: They hear and
springs, shallow springs, speak: They hear and
sigh, and then they break.

beggars and in kings.

love in beggars and in kings.

see, and sigh, and then they break.

in beggars and in kings.

and sigh, and then they break.

in beggars and in kings.

and sigh, and then they break.
