There is a circle like a crown

1. There is a circle like a crown that spirals up and spirals down,
2. Filled up with God, the Savior fills his friends with God, and God instills
3. And those receiving gifts from them receive, as well, the gift of him
4. And all who share the gifts they get begin repayment of the debt,
5. There is a circle like a crown that spirals up and spirals down,

a golden cord that joins us all, the strong and weak, the great and small.
in them a will to take and share the bright and blessed Gift they bear.
who sends, like angels from above, a rushing wind of blessing love.
"For all you give the least of these, you give," the Savior says, "to me!"
a golden cord that joins us all, the strong and weak, the great and small.
