

Waken, lords and ladies gay

Op. 162, No. 1

**Louis A. Coerne
(1870-1922)**

Louis Adolphe Coerne (1870-1922) was born in Newark, New Jersey. He studied under John Knowles Paine at Harvard University and under Rheinberger at the Stuttgart Conservatory, Germany. He taught at Smith College, Harvard, and Connecticut College. He wrote pedagogical pieces for piano, and his compositions include orchestral works, operas, cantatas and anthems. His opera *Zenobia* premiered in Bremen, Germany, and was the first opera by an American composer to be performed in Germany. He died in Boston, Massachusetts.

Oliver Ditson Co.
 (1920)

Waken, lords and ladies gay,
 On the mountain dawns the day;
 All the jolly chase is here
 With hawk and horse and hunting-spear,
 Hounds are in their couples yelling,
 Hawks are whistling, horns are knelling,
 Merrily, merrily mingle they—
 "Waken, lords and ladies gay."

Waken, lords and ladies gay,
 To the greenwood haste away;
 We can show you where he lies,
 Fleet of foot and tall of size;
 We can show the marks he made
 When 'gainst the oak his antlers fray'd;
 You shall see him brought to bay—
 "Waken, lords and ladies gay."

Louder, louder chant the lay,
 Waken, lords and ladies gay!
 Tell them youth and mirth and glee
 Run a course as well as we;
 Time, stern huntsman! who can balk,
 Staunch as hound and fleet as hawk:
 Think of this, and rise with day,
 Gentle lords and ladies gay!

Sir Walter Scott (1771-1832)

TERMS OF USE

These editions are available as a service to the choral community, offering inexpensive access to public domain literature. Choir resources can purchase other literature still under copyright, especially to support those creating and publishing new compositions and arrangements. These editions have been created using public domain sources under U. S. copyright law. Out of respect to the research, time and effort invested:

- please print and issue an edition in its entirety, retaining notices, attributions, and logos.
- please do not consider this edition a source for creating another edition.

If recorded, notification and attribution would be appropriate professional courtesies.
