Stay time a while thy flying

For Fates and friends have left me,
And of comfort me.

Stay time a while thy flying,
Stay, stay, and pity, pity,
Stay, stay, and pity, pity,
Stay, stay, and pity, pity,
Stay, stay, and pity, pity,
Stay, stay, and pity, pity,

Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,

And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.

Come, come close mine eyes, better me.
Come, come close mine eyes, better me.
Come, come close mine eyes, better me.
Come, come close mine eyes, better me.
Come, come close mine eyes, better me.
Come, come close mine eyes, better me.

And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.

Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,

Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,

And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.
And of comfort me.

Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
Stay, and pity, pity,
